### **Aladdin generates its first operating income since formation**

Aladdin Blockchain Technologies Ltd, London, the 100% subsidiary of Aladdin Blockchain Technologies Holding SE, expects to generate its first operating income since its formation in the amount of USD 200,000 within October 2018. The expected payment is due under a licence agreement, Aladdin entered into with a business partner in Hong Kong and relates to the joint venture with a hospital chain in China. The payment will be the first tranche of further income under this agreement, the total amount to be invoiced in 2018 is USD 1 million.
